A browser window mockup for a login page. On the left is a cartoon onion character with a purple cape. On the right are two input fields labeled 'ID' and 'Password', followed by a 'Login' button and a '회원 가입' (Sign Up) link.

메인 화면

A browser window mockup for a main dashboard. It features a top navigation bar with '회원' (Member) and '공지사항' (Notice) links. The main content area has two identical sections, each with a '등록일자' (Registration Date) field, a '등록자' (Registered User) field, and a '전송' (Send) button. Below these is a large text area with a placeholder text '이 곳은 관리자에서 제공 시작되었습니다...'. At the bottom is a status bar with a series of colored squares.

글쓰기

A browser window mockup for a 'Write Post' page. It has a title input field labeled '제목' (Title) and a large text area for the post content. At the bottom are two buttons: '등록으로 가기' (Go to Register) and '등록하기' (Register).
